Dear Mardi Gras Guests and Friends of Methodist Hospital:

What an amazing and generous response to **MARDI GRAS FOOD FEST 2019!** Thank you for being here tonight to support Cancer Care at Methodist Hospital.

An evening like this doesn't happen, though, without the hard work of dedicated volunteers and we want to recognize co-chairs Sophia Chan, Mark Hafeman and Patty Soldo, as well as, their committee for creating an outstanding event. We're also grateful to all the restaurants, businesses, and individuals who contributed the wonderful food, beverages, and auction items that have made this another Mardi Gras to remember.

Of course, it wouldn't be Mardi Gras without "royalty" and we are proud to recognize Dr. Dino and Mrs. Hope Clarizio. We are thrilled to have this opportunity to honor such a deserving couple for their many contributions to Methodist Hospital and our community. Please join us in congratulating them tonight. They'll be the two leading the parade!

We also salute our first-ever Title Mardi Gras Sponsor, Arcadia Gardens Retirement Hotel / Arcadia Healthcare Center. Their generosity and that of all our sponsors at every level is integral to the outstanding care Methodist Hospital provides.

Have a wonderful time tonight and take pleasure in the knowledge your support helps make this hospital a critical asset to the community we serve. Thanks again and laissez les bons temps rouler!

# KING & QUEEN FOR A DAY: MARDI GRAS 2019 HONORS DR. DINO & HOPE CLARIZIO

For more than 30 years, Arcadia native Dino Clarizio, MD, and his wife, Hope, have served the San Gabriel Valley community in a number of ways.

As an internal medicine specialist at Methodist Hospital, Dino has treated thousands of patients over the years while Hope has helped manage his medical practice office. The two have been married 34 years and have forged a unique bond while enjoying a wonderful life together both professionally and with their volunteer activities throughout the community.

To honor the couple's dedication and philanthropic efforts on behalf of the patients and families of Methodist Hospital, the duo will serve as King and Queen of the 24th Annual Mardi Gras Food Fest.

"Hope and I are humbled to be selected as the King and Queen and we are honored to be recognized at Mardi Gras this year," says Dino. "We hope to see a record-breaking fundraising event at this festive gathering with guests having a wonderful time, enjoying each other's company, partaking in the fabulous food and dancing to great music."

Dino's commitment to his patients and the hospital began back in 1987 when he joined Methodist Hospital medical staff. Over the years, he has held various medical staff leadership positions including Chief of Medicine, Secretary/Treasurer, Vice Chief of Staff, and eventually Chief of Staff in 2015. He has also served as a member and/or Chair of the Utilization Review and CQIS Committees.

The Clarizios' volunteer work in the community includes hosting Gifts from the Heart, an annual fund raising event at their home benefiting a scholarship program for La Salle High School students in Pasadena. The event helps offset student expenses for tuition, books, and school fees. In addition, Hope volunteers regularly with animal rescue organizations, which is a cause near and dear to her heart. Dino has also been extremely active over the years by volunteering his time with numerous community health and wellness events, including the annual Methodist Hospital Latino Health Fair. He's also passionate about soccer and has served as a player, manager, referee and team sponsor with numerous soccer organizations throughout his life.

Besides all of these community endeavors; Hope is excited to volunteer and participate in Mardi Gras once again after being part of the event organizing committee in the past.

**“HOPE AND I ARE HUMBLED TO BE SELECTED AS THE KING AND QUEEN AND WE ARE HONORED TO BE RECOGNIZED AT MARDI GRAS THIS YEAR,”**

**-DINO CLARIZIO, MD.**

“I enjoyed working on Mardi Gras years ago when my son and daughter were little and it was a much smaller event held at the Arboretum,” says Hope. “Dino and I have attended every year since then because it’s a fabulous event with proceeds this year going to the hospital cancer program, which is a great cause.”

Dino is proud of the work of the Methodist Hospital Foundation and the work the organization does to support the hospital with funding for new technologies and state-of-the-art equipment.

“The success of the fundraising event can be seen in the continued advancement of care and services provided such as the Cath Lab, stroke services, the new Acute Rehabilitation Department, Digital Mammography, and the Joint and Spine Pavilion, among many others,” Dino says. “Now, with this effort to support cancer care, we know the funds raised will benefit this significant and critical program at Methodist Hospital. By attending and supporting Mardi Gras, you know you’re contributing to something that will have a powerful impact, making Methodist Hospital better and better for the community at large.”

**Cancer Survivor: D'Arcy Sloane  
Back to Her Vibrant Life,  
Thanks to the Experts  
at Methodist Hospital**

Eighteen years ago, D'Arcy Sloane lost her husband to cancer. The young widow suddenly found herself with three young children to raise.

D'Arcy was able to persevere with raising her family, while also building a successful engineering and manufacturing company with her brother in the San Gabriel Valley. In addition, the life-long Altadena resident eventually remarried. Everything was going well for her and her family until the summer of 2016, when she received shocking news.

Cancer had struck again. This time, D'Arcy was the patient. "I'd always been in perfect health," D'Arcy says. "I exercised, ate well, took good care of myself. The diagnosis was devastating."

*"I exercised, ate well, took care of myself. The diagnosis was devastating."*

D'Arcy received treatment for cervical cancer under the care of gynecologic oncology specialist Alan Schlaerth, MD, medical director of the Methodist Hospital GYN Oncology Institute, and colon and rectal surgeon AnaMaria Garza, MD, with the Methodist Hospital Institute for Surgical Specialties. Both institutes are part of the hospital's Comprehensive Community Cancer Program. Under Dr. Schlaerth's guidance, D'Arcy's cancer was treated with surgery, as well as aggressive radiation and chemotherapy sessions. She was also cared for by the hospital's Wound Healing Center. Her husband and children were tremendously supportive during this difficult and physically challenging time, and she has been cancer free for more than two years.

Today, D'Arcy is back to her vibrant life. Besides running the family business, in her leisure time D'Arcy enjoys tennis, ballet dancing and even 5K runs. In addition, D'Arcy plays the violin and is part of a chamber music group that performs at community events locally.

"Methodist Hospital has always been there for us," D'Arcy says. "We're so fortunate to have such an outstanding healthcare facility available close to home."

Arcadia, CA 91007

Dear Mr. Driebe and Friends of Methodist Hospital Foundation:

It is my great pleasure to welcome you to the Methodist Hospital Foundation's 24<sup>th</sup> annual Mardi Gras Food Fest. Tonight's event supports the hospital's important cancer care work and celebrates outstanding community leaders Dr. Dino and Hope Clarizio.

Since joining the Methodist Hospital Medical Staff in 1987, Dr. Dino Clarizio has held various leadership positions, including Chief of Medicine in 1995, Secretary/Treasurer in 2013, Vice Chief of Staff in 2014, and Chief of Staff from 2015 to 2016. In addition to leading the hospital staff and recruiting new physicians, Dr. Clarizio was instrumental in the success of the Latino Health Fair as its chair.

Hope Clarizio has also been a stalwart supporter of the Methodist Hospital and Foundation having served on the Methodist Hospital Foundation's Mardi Gras Committee. Much of the success of this fundraiser is a result of Ms. Clarizio's hard work throughout the years. Ms. Clarizio also served on the Partners in Health committee.

In addition to their support of the Methodist Hospital Foundation, the Clarizios also host "Gifts from the Heart" to fund tuition, books, and school expenses to help needy students attending La Salle High School.

I join with you in commending Dr. Dino and Hope Clarizio for their generous and dedicated service to the Methodist Hospital in Arcadia and the local community. Best wishes for a wonderful evening!

Methodist Hospital Foundation  
300 West Huntington Drive  
Arcadia, CA 91007

Dear Methodist Hospital Foundation,

It is my pleasure to congratulate the Methodist Hospital Foundation's 23<sup>rd</sup> Mardi Gras Food Fest Celebration gala in Arcadia.

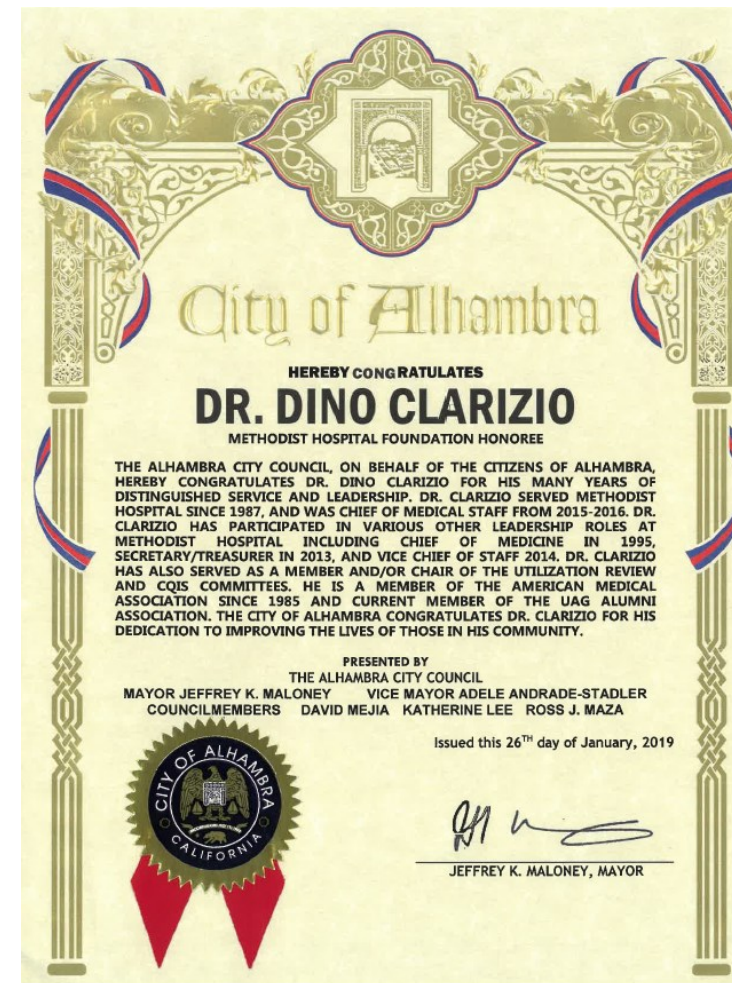

Over 116 years ago the Methodist Hospital Foundation was founded to provide high-quality medical services while caring for the patient's emotional and spiritual needs. Through the core values of Integrity, Respect, Accountability, Innovation, Safety, and Excellence, the Methodist Hospital seeks to give exceptional and compassionate care to its patients. Apart from their commitment to health services, Methodist Hospital has also committed to being involved in local community services such as senior services, a cancer resource center, and hosting support groups for various illnesses and diseases.

Tonight at the foundation's 23<sup>rd</sup> Mardi Gras Food Fest two individuals who have given many years of distinguished service and leadership to the Methodist Hospital will be honored: Dr. Dino Clarizio and Hope Clarizio. Dr. Dino Clarizio first joined the Methodist Hospital Staff in 1987 and would go on to hold numerous positions of leadership: Chief of Medicine in 1995, Vice Chief of Staff in 2014, and Chief of Staff in 2015. When not volunteering at the local animal rescue, Hope Clarizio served on the Foundation's Mardi Gras committee, making it the significant fundraiser it is today. Apart from their dedication to the hospital, the Clarizios host the "Gifts from the Heart" La Salle High School's scholarship program, which helps students attending La Salle High School pay for tuition, books, and other school expenses.

On behalf of the 49<sup>th</sup> Assembly District, congratulations to the Foundation, Dr. Dino Clarizio, Hope Clarizio and best wishes to your continued successes.

Sincerely,

ED CHAU  
Assembly member, 49<sup>th</sup> District

March 5, 2019

Dear Friends,

On behalf of the City of Los Angeles, welcome to the Methodist Hospital Foundation's 23rd annual Mardi Gras Food Fest.

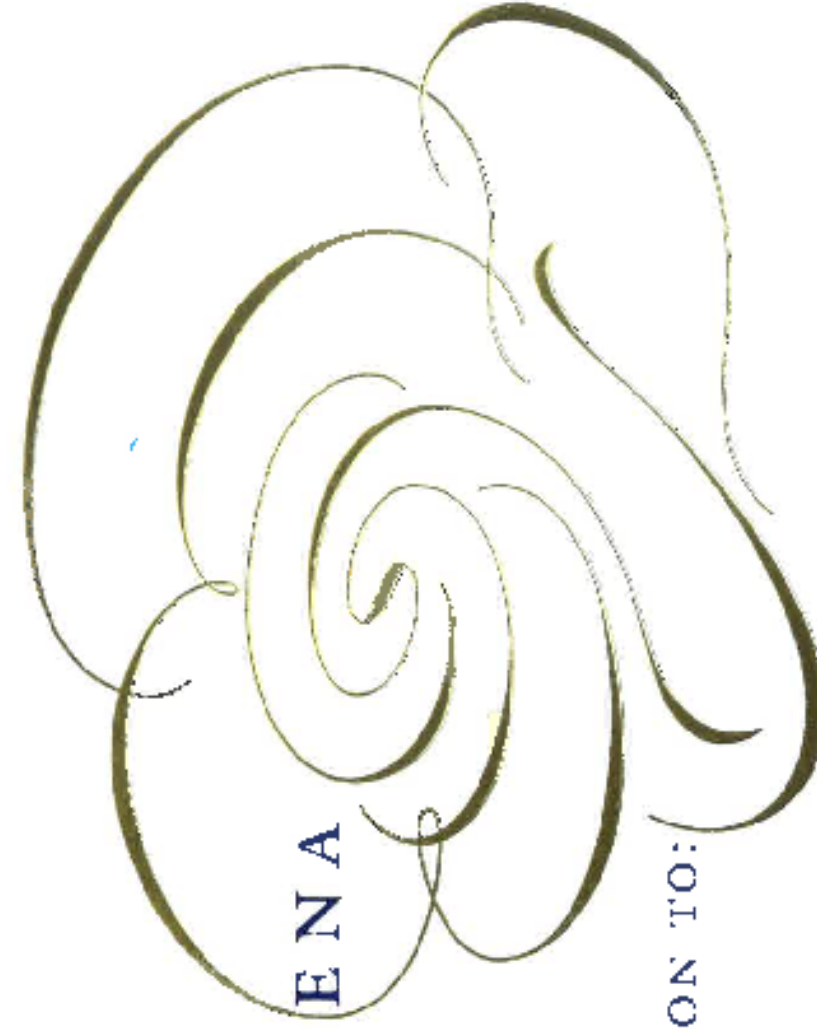

When the Methodist Hospital of Southern California was founded 1903, it was a small house on Hewitt Street with just five beds, where Angelenos from all walks of life could find care and compassion. Today, Methodist Hospital serves thousands of people throughout the region — and thanks to the support of the Methodist Hospital Foundation, patients who walk through their doors can access first-rate and high-quality care that sets them on a path to healing and hope.

I would like to extend a special congratulations to today's honorees: Dr. Dino and Hope Clarizio. Their unwavering support of a healthy Los Angeles will make a difference for generations to come.

I send best wishes for a memorable event and continued success.

Sincerely,

ERIC GARCETTI
