Dear friends of USC Arcadia Hospital,

Welcome to our 28th Annual **Mardi Gras Food Fest!** Thank you for your support of USC Arcadia Hospital and our community.

We want to recognize the members of the Mardi Gras Food Fest committee for creating an outstanding event! We're also grateful to all the restaurants, businesses, and individuals who contributed the wonderful food, beverages, and auction items that have made this evening a night to remember.

Tonight, we are honored to recognize Dr. Sam Chia as the "King of Mardi Gras!" We are thrilled to celebrate a beloved physician and deserving individual who has dedicated many years to his patients in our community and has dedicated many years of service through his leadership to USC Arcadia Hospital. Please join us in congratulating him when you see him, especially as he leads the traditional parade draped in the cape and wearing the prestigious crown!

We are grateful to our sponsors and many individuals who purchased tickets to be part of our wonderful celebration. Your support benefits the purchase of our second Bi-Plane Imaging system to replace a 30 year old model, and allows us to continue the mission of USC Arcadia Hospital "to provide high-quality healing services while caring for the patient's emotional and spiritual needs and enabling them to achieve health for life."

We hope you have a wonderful time dancing the night away and enjoy the great food and company of friends knowing you're making a difference.

Laissez les bons temps rouler!

Sincerely,

Mardi Gras 2023 Honoree Dr. Sam Chia

We are excited to share that this year's King of Mardi Gras is Sam Chia, MD! Dr. Chia has been active at USC Arcadia Hospital since 1999 and has served in many leadership roles for the past 15 years. Dr. Chia was the Chief of Medical Staff in 2020 and served on the hospital board that same year. Dr. Chia has been on the Medical Executive Committee for seven years as Vice Chief for Staff, Secretary/Treasurer, and Credentials Committee Chair.

“I was completely surprised to learn that I was chosen to be Mardi Gras King this year,” Dr. Chia said. “When I think of prior honorees like Drs. John Quigley, Elias Tarakji, and Andy Lee, I feel humbled to be in their company. I am truly grateful to Mr. Driebe and the Foundation for bestowing me with this honor.”

Dr. Sam Chia has a private practice and shares an office in Arcadia with James Lin, MD. He is highly respected by his colleagues and highly regarded by his patients. Many of his patients describe him as kind, compassionate and a strong advocate of his patients' overall wellbeing.

“While I realize my history volunteering for the foundation and the hospital is the main reason I am being recognized today, I never thought my efforts were unique among my colleagues,” Dr. Chia said.

“Many of us volunteer because we see Arcadia hospital as our community. Our families live and flourish here. A financially strong hospital with high quality and caring culture benefits all of us.”

Long Live the King!

Mardi Gras 2023

Benefitting the purchase of a New Bi-Plane Imaging System

USC Arcadia Hospital has a widely recognized reputation for being a center of excellence for stroke and heart care. We are fully accredited as a comprehensive stroke center and have been designated by L.A. County Emergency Medical Services as a heart attack receiving center and a comprehensive stroke center.

This means that USC Arcadia Hospital is prepared to fully treat all stroke patients on-site with the most advanced, appropriate level of care. Such comprehensive care includes not only diagnosis and treatment by highly specialized physicians, but also the use of equipment and technology that enables our physicians to perform highly complex procedures, including clot extraction and coiling of aneurysms.

Annually, USC Arcadia Hospital treats more than 2,000 patients in our angiography suites, providing life-saving procedures to stroke as well as heart attack patients, with patient volumes continuing to rise. Based on increasing demand for high-level neurological imaging services, we need to acquire an additional biplane imaging system to help achieve this goal, as well as the capacity to serve a growing demand for cardiac services. A second biplane imaging system is a key piece of equipment necessary for performing these life-saving procedures. The cost of acquiring this state-of-the-art equipment is approximately \$3.5 million.

The proceeds of our 28th Mardi Gras Food Festival will go toward the purchase of this new technology. Your support tonight helps us continue our mission “to provide high-quality healing services while caring for the patient's emotional and spiritual needs and enabling them to achieve health for life.”

Thank you from all of us at USC Arcadia Hospital!

USC Arcadia Hospital Foundation
300 West Huntington Drive
Arcadia, California 91066

Dear Friends:

It gives me great pleasure to extend my warmest greetings to all who have gathered for the USC Arcadia Hospital Foundation's *28th Annual Mardi Food Festival!*

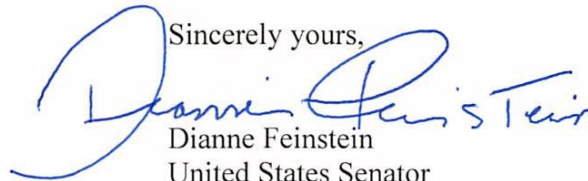

Since its inception, USC Arcadia Hospital Foundation has dedicated itself to offering holistic healthcare services for diverse communities in the San Gabriel Valley. Through its philanthropic efforts and cultural events, the Foundation has distinguished itself through an innovative healthcare approach at USC Arcadia Hospital. There is no doubt its efforts will continue to benefit countless individuals for many years to come.

I would also like to take this opportunity to recognize tonight's honoree: Dr. Sam Chia, recipient of the Foundation's *King of Mardi Gras!* Dr. Chia has proven himself to be a healthcare provider of the highest caliber and an outstanding community servant.

As your United States Senator representing the State of California, I applaud the USC Arcadia Hospital Foundation and tonight's honoree for their tremendous achievements and contributions. Please accept my best wishes for a most memorable event.

With warmest personal regards.

Sincerely yours,

Dianne Feinstein

Partners In Health

As a not-for-profit organization, USC Arcadia Hospital relies on charitable contributions to keep the hospital at the forefront of medical excellence.

Partners in Health is the annual giving society of USC Arcadia Hospital Foundation. Support from our annual and monthly donors ensure that our physicians, nurses and staff have the necessary resources to continue to provide our community with the best care possible.

With a gift of **\$83.33+** per month or **\$1,000+** per year you too can become a member of this distinguished group of donors and have an ongoing impact on your local community hospital.

To learn more, scan the QR Code or contact Maggie Trigueros, Director of Annual Giving at maggie.trigueros@med.usc.edu or 626-821-2312
